

RPP-458

Röwac push pull 458

hose set

In-house developed push-pull package with a hand-grip barely larger than that of a package without engine. A great deal of attention has been paid to the wire feed-throughput and the adjustment of the pressure on the counter-pressure wheel.

specifications.

- * torch weight 800 gr.
- * length hose set 4 meter or 8 meter.
- * no. water cooled röwac push pull 109.04.04 (4m) and 8 m 109.04.08
